

CLIENT:

WESSEX WATER

CONTRACT VALUE:

**£3M PER ANNUM
(FRAMEWORK AGREEMENT)**

CONTRACT TYPE:

**NEC2 OPTION B WITH BILL
OF QUANTITIES**

SECTOR:

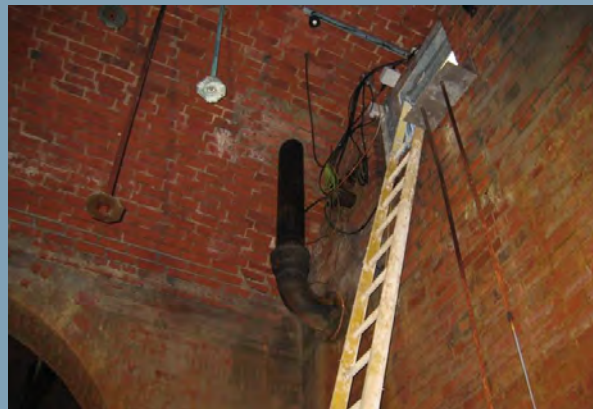

WATER

ACIEM (as Damar Group) carried out a seven year framework to undertake repairs and carry out security works to reservoirs across the Wessex Water region. This contract extended across the AMP4 and the AMP5 periods.

PROJECT HIGHLIGHTS

Full surveys of each reservoir site to determine level of maintenance necessary and carrying out works through to completion.

Typical works include structural repairs; application of waterproof coatings; external roof repairs and sealing.
